

Your Benefits as an EWA Member

EWA members associations have access to more than 50,000 water professionals throughout Europe and beyond. The European Water Association (EWA) is an independent non-governmental and non-profit making organisation dealing with the management and improvement of the water environment. This strong organisation offers their members:

Information

- Receive information European legislation and standardisation in the water sector
- Participate in interesting, up-to-date and high focused conferences and workshops about European water issues
- E-mail news service: the EWA Newsletter. By sending an e-mail to info@ewa-online.eu you can subscribe to our bi-monthly e-mail newsletter. This service contains up-to-date information from Brussels about water and water management subjects on a European and international level.

European Networking

- Get in contact with water professionals from various fields and countries, including the Central and Eastern European Countries, at conferences, workshops, and EWA's Annual Meetings
- Profit from the European network of the EWA
- Exchange experiences among European Water Associations
- Develop contacts with the European Commission and the European Environment Agency

Technical Work

- Work together with other experts to influence the European water agenda, legislation and standardisation in EWA's European Technical and Scientific Committee (ETSC) and its Working Groups

Make yourself known

- Have your organisation's website linked from EWA's homepage
- Present your company to all EWA members and the European water world through a description in the EWA Yearbook
- Display your logo on all EWA conferences and publications

Research Membership

Get the opportunity to know and create partnerships for EU innovation and research projects with other European research and industrial Institutions, if necessary, under the umbrella of EWA

- Be integrated EWA activities at each biennial IFAT Environmental Trade Fair in Munich, DE (Symposium, booth, University Challenge etc.)
- Be a guest at the annual EWA Council meeting
- Join all EWA Symposia, Conferences and Workshops at a reduced price
- Get the opportunity to present research work at the international/European levels of the different EWA Symposia/Conferences/Workshops with a potential, significant impact
- Use the EWA platform for your European connections

Membership fee

Research Member: € 250
